

REMARKS

Examiner has required restriction between Group A, claims 1-38; Group B, claims 39-43; Group C, claim 44. Applicants hereby elect claims 1-38, without traverse, for continued examination and cancel claims 39-44 without prejudice or disclaimer.

In the above amendment Applicants add claims 45-50. Claims 45-50 are directed to methods of transmitting data units, and thus would have been grouped together with the elected claims had the claims been presented prior to restriction. Applicants therefore request examination of claims 45-50 along with elected claims 1-38. Applicants appreciate Examiner Boutah's preliminary indication that such request would be granted.

Applicant believes no fee is due with this response other than that on the enclosed fee transmittal. However, if a fee is due, please charge our Deposit Account No. 18-1945, under Order No. BBNT-P01-248 from which the undersigned is authorized to draw.
